

Get your MRO data right and your MRO costs down with SwainSmith's MRO Data Solutions.

We help clients get the ROI out of their MRO

MRO data that's rich and standardized can help you reduce total spend, right-size your inventory and make the equipment maintenance and repair process more efficient.

Clean data coupled with a scientific data-driven approach to establishing MRO inventory levels means lower MRO costs for you. This is what **SwainSmith MRO Data Solutions** delivers. See our 5 steps to getting your MRO costs down and equipment availability up.

SwainSmith's MRO Data Solutions Help You:

1 Data Collection – MRO Master Data Development

Quickly collect and develop actionable MRO item data with our proprietary libraries and web-based data collection tools. We employ industry standards and data collection technologies to help clients build better data faster. [LEARN MORE](#)

Lower Purchasing Costs

2 Data Cleansing – Toxic MRO Data Removal

Fix toxic MRO data with our MRO data cleansing, standardization, and enrichment services. We couple custom libraries and industry standard classification schemes, with 23 years of domain expertise, to help organizations build world-class MRO item masters. [LEARN MORE](#)

Improve Maintenance Productivity

3 Data Analysis – MRO Inventory Optimization

Right-size MRO inventory levels, improve spare parts availability, and spend transparency with our MRO Data Analysis service. Let us help you take a scientific, data-driven approach to establishing and maintaining MRO inventory levels. [LEARN MORE](#)

Reduce Equipment Repair Time

Examples of Optimized MRO Data

Item #	Short Description	UNSPSC Code	UNSPSC Description	MRO Commodities	Class
10000	BATTERY, DRY CELL, LITHIUM-MANGANESE DIOXIDE, 3VDC, 163MAHR, 20MM DIA x 2.5MM H	26111705	Dry cell batteries	COMMODITY INDUSTRIAL SUPPLIES	BATTERY
10001	BATTERY, DRY CELL, LITHIUM-MANGANESE DIOXIDE, 3VDC, 24MAHR, 20MM DIA x 3.2MM H	26111705	Dry cell batteries	COMMODITY INDUSTRIAL SUPPLIES	BATTERY
10002	BATTERY, DRY CELL, SILVER OXIDE, NO MERCURY, 1.5V, 165MAHR, 11.6MM DIA x 5.4MM H	26111705	Dry cell batteries	COMMODITY INDUSTRIAL SUPPLIES	BATTERY
10003	BEARING, BALL, DEEP GROOVE, SINGLE, 100MM ID, 150MM OD, 24MM W, EXTRA LIGHT DUTY	31171504	Ball bearings	COMMODITY BEARING & PT.	BEARING
10004	BEARING, BALL, DEEP GROOVE, SINGLE, 100MM ID, 180MM OD, 34MM W, LIGHT DUTY	31171504	Ball bearings	COMMODITY BEARING & PT.	BEARING
